

## Creative Learning

Students of Industrial Fish and Fisheries learning to make aquariums

## LANGUAGE LAB

Language Lab of RDS College is an integral part of the e-learning system. It provides a language learning experience in a more entertaining and interactive way. Interactive learning courses help students learn much faster than regular classroom settings. The language lab boosts the motivation of students achieving higher levels of language retention and progress. It allows students to practice the language with a wide variety of activities and exercise based on computer. The student can watch videos, practice their pronunciation through speech recognizers, learn new vocabulary, etc.

Workshop organized in the language lab
