Give three observation/ suggestions to improve the overall teaching-learning experience in your institution.

19 responses

1- improve admission process 2-sports activities and develop sports gym 3-all teachers are very humble and kind

Student-Centered Approach/Feedback Mechanisms/Interactive Learning Tools.

Very good

No, everything is good.

Make a proper time table for all the classes and take classes regularly and arrange special orientation classes before exams and provide clear instrution related to subjects, exam forms and for extra activities.

Regular classes, interaction with students and understanding between students and teachers

Good

1) Use better graphics and visual media to engage students well. ... 2) Try to reach every student and ask for their doubts. ... 3) Make teaching a two way interaction.

1.Teacher need to become cooperative and friendly to students 2 . Syllabus should be completed on time 3. Need to attention on developing college infrastructure

Bahut badhiya

Everything is fine and no need or improvement as of now.

Student friendly environment, better information systems, a well mentioned library

1.There should be better communication between all teachers and students.2 So that the gap between teachers and students is eliminated 3.Teachers and students should always work on learning and studying so that even the most difficult syllabus becomes easy

My teacher rk panday sir ji very will. That's why I want my teacher. Not. To leave my session ...this is good reading for me.. ☺ ☺ 😄 😊 😊

Office staff behaviour need must improve

Teaching-learning experience is very good
